HIP HOP - WOOSTER BRANCH

Hip-Hop has become the dance expression for today's youth for both boys and girls. Participants will learn the latest dance moves through fun choreographic movements and family -friendly music in an upbeat environment. In this class students will feel as though they are part of a team. Dancers will be able to grow individually by gaining self-confidence while learning a new skill. There will potentially be optional performances at the end of each session where dancers will be able to show off what they learned in a public setting. T-Shirts are included for each session!

OHIOHEALTH
DELAY THE DISEASE™
 THE #1 PARKINSON'S EXERCISE PROGRAM

New Parkinson's Wellness Program Provides HOPE

YMCA of Wayne County- Orrville Branch now offers group exercise for People with Parkinson's. Delay the Disease™ is an evidenced-based fitness program designed to empower those living with Parkinson's disease by optimizing their physical function and helping to delay the progression of symptoms.

Developed by David Zid, BA, ACE, APG, and Jackie Russell, RN BSN CNOR in Columbus, OH, this national wellness program is designed to retrain the mind and body. Participants report improvement in quality of life, regained ability to successfully manage the disease, and maintenance of independence. This program targets daily functional challenges and symptom-specific fitness agendas. Exercise plans are adapted to all levels of the disease, valuable to newly diagnosed and progressed states alike. David and Jackie see changes in all participants and boast "It's never too late to start exercise, and certainly never too early!" Visit www.delaythedisease.com for additional information, seminars, and educational courses.
