Behavior Plan

A sense of classroom family/community is essential to provide a place where each child feels safe and welcome. We work with children on building one another up, communicating effectively during conflict, and taking responsibility for their actions. The time it takes to establish a positive classroom community depends on the personalities and social makeup of the class each year. It is important that as parents and teachers we work together with our children to be sure they feel comfortable communicating their concerns and conflicts. While we are aware or become aware of many conflicts and concerns by observation and communication with my students, there are always situations where a parent needs to reach out to the teacher so that they can be made aware of important situations. If your child feels a need to communicate something with you, it is important enough that it be addressed appropriately with us and we can decide a good way to help the situation together.

We will contact parents via Procure or phone if a situation arises. Parents are expected to pick up as quickly as possible if your child is needed to be. We will make every effort to work with parents of children having difficulties in our care. We use a 3 strike policy towards working with children and parents. Being sent home 3 times will lead to removal from our program. Reasons for being sent home included the following:

- a.) Abusive (physical or verbal) towards another children or staff members
- b.) excessive language directed at other children or staff members
- c.) sexual actions/comments towards other children or staff members
- d.) destroying of YMCA property
- e.) anything else that may be deemed removable offense by staff or director

No child is subjected to corporal punishment or physical discipline at any time. Discipline will never be related to food, rest, or toileting.
