THE Y ACADEMY FOR BRIGHTER FUTURES

YMCA Preschool/Daycare

LEARN. GROW. THRIVE.

The Y Academy for Brighter Futures is designed to support all children, including those with emotional, behavioral, or developmental challenges, in a nurturing and inclusive environment.

- **Focus on the Whole Child:** The program emphasizes nurturing each child's emotional, social, cognitive, and physical development. Through hands-on learning and exploration, children build confidence and develop key life skills.
- **Creative Curriculum:** We use a research-based, child-centered approach to encourage curiosity and learning through play. This curriculum helps children engage with their environment while promoting creativity, critical thinking, and problem-solving.
- **Building Resilience and Social Skills:** With a strong emphasis on emotional well-being, children learn to navigate their feelings and develop healthy relationships with peers.
- **Family Engagement:** We believe in partnering with families to provide guidance and resources, ensuring that children's progress continues at home as well as in the classroom.

By creating a safe, supportive, and collaborative space, the Y Academy for Brighter Futures helps children grow and thrive at their own pace.

For more information, or to register your child please contact:

Lauren Grifo
